## PE & Sports Funding Action Plan 2022-23

### Action Plan for the use of Funding to Develop PE and School Sport at Hollinhey Primary School 2022-23

The government is again providing additional funding for the 2022/2023 academic year. It is to be used to improve provision of physical education (PE) and sport in primary schools. This funding – provided jointly by the Departments for Education, Health and Culture, Media and Sport – and is allocated to primary school head teachers. The funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools. This year Hollinhey have been allocated £17,680.

Possible uses for the funding might include:

- Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- Paying for professional development opportunities for teachers in PE and sport
- Providing cover to release primary teachers for professional development in PE and sport
- Running sport competitions, or increasing pupils' participation in the School Games
- Buying resources that will enhance PE provision at Hollinhey
- Developing more active PE provision at lunchtimes
